7.1 Innovations introduced during this academic year which have created a positive impact on the functioning of the institution. Give details.

- To familiarise the police officials to the local language Tulu “Tulu Spoken classes” were convened by the college in collaboration with the Police Department. The feedback from the constables was amazing. They opined that the classes familiarised them with the local language as they were in dire need of learning it. As most of them are outsiders to the district and were new to the language, this course helped them in handling their profession in the District smooth.
- Inspired by the great success of the Tulu Spoken classes the college convened a course on “Byari spoken classes”. Byari language being another prominent language of the region, it was found that it is necessary for the police constables to be familiar with the basic knowledge of the language. The course was well received by the police Department and was found extremely useful. This course was convened by the college in collaboration with the Police Department.

Best Practice
