

Awareness is key for the poverty alleviation: Dr.Radhakrishna K

Apathy, inertia and negligence of people need to be eliminated to alleviate poverty, said Car Street Government First-grade College former principal Dr Radhakrishna K.

Delivering a special lecture during the reception program organised for the new batch of Economics MA students here at the Shivarama Karantha Sabhabhavana of the University College Mangaluru on Thursday, Dr.Radhakrishna quoted the Nobel Prize-winning work 'Poor Economics' by Abhijeet Banerjee and Esther Duflo and said that raising awareness among people plays an important role in alleviating poverty.

Principal Dr. A. Harisha wished students a bright future. In the introductory remarks, Economics PG Department Coordinator Dr. Jayawantha Nayak said that students need to get acquainted with economics works and should update their knowledge.

Economics Associate Professor Dr. Ramakrishna BM, lecturers Shama INM and Adarsh HB were present. AS Pooja welcomed and Swati mastered the ceremony, while Sonal Rao thanked.
