Microbiology Department, UCM 2016

DST-INSPIRE SCIENCE INTERNSHIP CAMP -2016

24th- 28th NOV 2016

- DST-INSPIRE SCIENCE INTERNSHIP CAMP -2016” Sponsored by Department of Science and technology, Govt.of India was organized by Dr.Bharathi Prakash, Head, Department of Microbiology of University College, Mangalore as Coordinator. It was conducted at regional science centre, Pilikula from 24th -28th November 2016. Total 200 students registered for the camp and 169 students attended these 5 days residential inspire internship science camp.

INSPIRE CAMP was inaugurated by **Honorable Vice Chancellor of Mangalore University, Prof K.Byrappa** on the 24th Nov. **Dr.Bharathi Prakash** Coordinator of DST-INSPIRE SCIENCE INTERNSHIP CAMP introduced the camp details to the audience and Dr Udayakumar MA, Principal of University College, Mangalore, welcomed the gathering. Prof.Suresh A Kattera, Honorary Professor, Centre for Nano and soft matter Science, Bangalore was the Chief Guest and Keynote speaker. Smt. Gayathri Nayak .KAS officer Executive Director, Pilikula Nisargadhama, Pilikula, was present during the occasion.

5 days Inspire Camp was scheduled with morning 1 hour yoga and meditation. From 9 am onwards there were 3 to 4 sessions from the scientists. They informed students, about the importance of basic sciences and its research .They gave an insight about how to make their research application oriented and useful to the mankind. They also directed students how small ideas and research has been helpful to the society, also the status of research in India and other country. Afternoon sessions were based on the practical oriented demonstrations and visit to well-equipped research laboratories of Mangalore University at Konaje. (CAART, PURSE, CARER, MICROTRONR, ZOOLOGY SHELL MUSEUM, AND BIOSCIENCE DEPARTMENT) and also visit to the biological park of Pilikula, Science centre, Zoo. In the evening, there were scientist’s invention skits, Group discussion and science related short films based on success stories of Nobel Laureates and scientist were exhibited.

DST sponsored ‘INSPIRE- SCIENCE INTERNSHIP RESIDENCIAL CAMP’” was conducted by Microbiology Dept. of University College and inaugurated by Honorable Vice Chancellor of Mangalore University, Prof. K. Byrappa on the 24th Nov.2016Participants of ‘INSPIRE- SCIENCE INTERNSHIP RESIDENCIAL CAMP’” sponsored by “DST” conducted by Microbiology Dept. of University College, Mangalore

The main intention of the programme was to inspire the students about basic sciences and its application oriented research and to spread its awareness. A book on ‘Renowned 50 scientists’ and a science kits comprising Microscopes, Danial cells, DC Generators and electrolysis demonstration kits were distributed to all the participants of the INSPIRE camp.

On the 5th day of the Inspire science camp on 28th November 2016, Prof.J.Ishwara Bhat, Department of Chemistry, Dean, Dept. of science and technology, Mangalore University, Mangalore and Prof. K. V. Rao, Director, Pilikula Regional Science Centre,

Pilikula. Mrs.Sumangala of Microbiology dept. anchored the programme. Inspire camp participants told that camp sessions have widened their horizons of science and gave tremendous information on basic sciences. Camp has guided them to know basically what research is. and how to pursue their goals towards it. They also suggested keeping the camp for one week and increase the camp strength as many other students were interested to attend the camp. Excellent feedback on this camp was given by the inspired camp participants and expressed their opinion to attend the camp next year also.

15 Students of B.Sc microbiology worked as volunteers to the programme enhancing their leadership quality.

DST-INSPIRE SCIENCE INTERNSHIP CAMP -2017

14th- 18th NOV 2017

DST-INSPIRE SCIENCE INTERNSHIP CAMP -2017 Sponsored by Department of Science and technology, Govt.of India was organized by Dr. Bharathi Prakash, Head, Department of Microbiology of University College, Mangalore as Coordinator. It was conducted at regional science centre, Pilikula from 14th -18th November 2017. Total 200 students registered for the camp and 200 students attended this five days residential inspire internship science camp.

Inauguration programme started with the prayer of Lord Ganesh. Dr Udaykumar M A, Principal of University College welcomed all the participants. Dr. Bharathi Prakash, Head, Department of Microbiology introduced the camp motto to the audience as a camp coordinator. Dr. Umesh Sharma, Scientist from DST, New Delhi inaugurated the inspire camp on 14th Nov, 2017. Prof T J Pandian, a Shanthi Swaroop Bhatnagar awardee from Madurai and Prof G D Khedkar, Director of Paul Hebert's Center for DNA Barcoding and biodiversity Studies from Marathwada University, Aurangabad, Prof K V Rao Director of Science center, Pilikula, present in the programme, wished the function all the success. Guest of honour Sri. Prasanna Executive director of Pilikula Nisargadhama encouraged the student to explore science centre and announced about the quiz competition to be conducted on swachha Bharat for PUC students at Pilikula. Dr Bharathi Pillar of Computer Science department was the anchor of the programme. Dr Nagaratna of Zoology department concluded the programme with vote of thanks.

A total of 201 Participants from 12 different colleges in and around Mangalore were present for this Inspire camp. For this camp various eminent scientists from well reputed institutes all over India were invited to share their knowledge and interact with camp students. Inspire camp also provided the Hands –on practical demonstrations and field visits along with the regular scientific sessions. The success stories and scientific videos were also displayed for the students. Self-awareness and communication skill talks were included as the evening activities. Science kits were distributed to all the participants.

16 Students of B.Sc microbiology worked as volunteers to the programme enhancing their leadership quality.

DST-INSPIRE SCIENCE INTERNSHIP CAMP -2018

25th- 29th NOV 2018

DST-INSPIRE SCIENCE INTERNSHIP CAMP -2018 Sponsored by Department of Science and technology, Govt.of India was organized by Dr. Bharathi Prakash, Head, Department of Microbiology of University College, Mangalore as Coordinator. It was conducted at regional science centre, Pilikula from 24th -28th November 2018. Total 200 students registered for the camp and 198 students attended this five days residential inspire internship science camp.

The first day of DST Inspire Camp began on 25th of November, 2018 with the inaugural function. Prof. Shrini Kaveri, Director, CNRS Office in India, Embassy of France, New Delhi, inaugurated the function by lighting the lamp. He gave a keynote speech on the topic “The importance of environment on the society; and our responsibility; The role of science.” Students were enlightened about the societal challenges and their role in it. Dr. G D

Khedkar, Director, Paul Herberts centre for DNA Barcoding and Biodiversity studies, released the INSPIRE magazine. The 'Hand Hygiene Campaign' magazine was released by Prof. A M Khan, Registrar, Mangalore University, Mangalore.

The Valedictory programme of DST – INSPIRE Camp began at 12pm on 29th of November. Dignitaries adorning the dais were Dr K V Rao, Dr Uday Kumar M A ,Manjunatha Shetty, Asst. Commissioner of Traffic Police, Mangalore and Dr Bharathi Prakash. Dr Bharathi Prakash, co-ordinator of the inspire camp 2018 gave a brief bulletin of the entire camp held for 5 days at the Pilikula Campus. Dr K V Rao addressed the student mass with his inspiring words for the departure of the camp. Varun from SM Khushe PU College and Jayashree from SDM PU College delivered their feedback on behalf of the student mass. Chief guest of the programme; Mr Manjunatha Shetty addressed the gathering with his motivational words. He also shared with the crowd his student life experiences and implored the students to shape their future into beautiful success with their hard work. Certificates and prizes for the various competitions were given away. Dr Uday Kumar M A, Principal of University College, Mangaluru delivered the presidential address imposing the young generation of today for tomorrow's future success. Dr Udaya Kumar awarded an appreciation certificate to Dr Bharathi Prakash, Coordinator of Inspire Camp, for 3rd time conducting an Inspire science camp sponsored by DST, New Delhi at Pilikula. Dr Bharathi Prakash delivered the vote of thanks and implored the students to motivate their juniors to participate in future Inspire camps.

14 Students of B.Sc microbiology worked as volunteers to the programme enhancing their leadership quality.

INNOVATION IN SCIENCE PURSUIT FOR INSPIRED RESEARCH
INSPIRE WINTER SCIENCE CAMP- 2018
 Sponsored by DST, Govt. of India
 Organized by
University College, Mangaluru, Department of Microbiology
 (Accredited with NAAC 'A' grade)

Innovation in Science Pursuit for Inspired Research

Innovation in Science Pursuit for Inspired Research (INSPIRE) is an innovative programme sponsored by the Department of Science and Technology for promotion of talent in Science. The basic objective of INSPIRE is to sensitize the youth of the country the achievements of country's scientists, about talent in the field of Science or in any other field and also to provide the required critical human resource pool for strengthening and expanding the Science and Technology system and R & D base.

A striking feature of the INSPIRE programme is that it does not believe in conducting competitive exams for identification of talent at any level. It believes in and relies on the efficacy of the existing educational structure for identification of talent. Every year about 10,000 Students of the 1% performers in class 10th board examination and promising students of higher secondary level are being given an exposure with leading scientists/academicians in the winter camp to experience the life of innovation.

Total slots available for Internship: 200

Eligibility Criteria	Name of Board	Top 1% cut-off Marks
1% of the top scoring students in 10th board examination and promising students of higher secondary level, considering the scores are as below:-	CBSE, NEET, ICSE, JEE, etc.	95% and above

"INSPIRE Camp duration 25th to 29th November 2018"

DST-INSPIRE SCIENCE INTERNSHIP CAMP -2019

14th- 18th NOV 2019.

DST-INSPIRE SCIENCE INTERNSHIP CAMP -2019 Sponsored by Department of Science and technology, Govt.of India was organized by Dr. Bharathi Prakash, Head, Department of Microbiology of University College, Mangalore as Coordinator. It was conducted at regional science Centre, Pilikula from 14th 18th November 2019. Total 200 students registered for the camp and 200 students attended this 5-day residential inspire internship science camp.

The DST INSPIRE Winter Science Camp held for students scoring above 90.02% in their S.S.L.C began on the evening of 13th November 2019 at Pilikula Science Center, Mangaluru. 204 students had arrived from 18 colleges and were given temporary accommodation in the rooms of Urban Hut amidst the nature. Everyday till the 18th of November 2019, there was Yoga and held early morning to give the energetic start to the splendid and knowledgeable day ahead. Breakfast was served at 7.30am and everybody was lead to the auditorium of Pilikula Regional Science Centre for the sessions of lectures and hands on by Scientists. All the sessions ended with the questionnaire and interaction session to clear the doubts and answers the young developing minds had.

On 18th Nov for the valedictory programmes, Sumangala Madam welcomed the gathering. Student Sudarshan was asked to for the prayer. Principal of the college, Dr. Uday Kumar welcomed the guest on the dias. Dr. Bharathi Prakash was asked to give a brief note of the inspire camp and she congratulated everyone who participated in the camp.

Prof. Lokesh M, Registrar of Mangalore University presided the function. Dr Udaykumar, Principal of the college, Prof. K V Rao., Prof LS Shashidhara, an S S Bhatnagar awardee from Indian Institute of Science education and research of Pune, were present. On the last day students carried lots of camp memories and take home messages. Also in their feedback requested college to conduct such an Inspire camp next year also. Dr Bharathi Prakash, camp coordinator concluded the programme with vote of thanks.

12 Students of B.Sc microbiology worked as volunteers to the programme enhancing their leadership quality.

Innovation in Science Pursuit for Inspired Research

Innovation in Science Pursuit for Inspired Research (INSPIRE) is an innovative programme sponsored by the Department of Science and Technology, Govt. of India. It is the programme intended to attract talents and promising students to study basic sciences. The basic objective of INSPIRE is to convey to the youth of the country, the exciting creative pursuit of science and draw the talented ones to get interested in the study in basic science leading to research, at an early age. It is necessary to build a large base of quality human resource engaged in the study and research in 'Basic Science'.

A striking feature of INSPIRE is that it creates an environment where students get an opportunity to sharpen their understanding of basic concepts in science through lectures, experiments and listening to experiences shared by distinguished scientists. Every year around 50000 students comprising the top layer of class Xth board examination performers and pursuant of science at higher secondary level get an exposure to leading scientists/academicians in the camp and enjoy the experience of innovation.

Total slots available for internship: 200		
Eligibility Criteria	Name of Board	Top 1% cut- off Marks
1% of the top ranking students in Xth board examination and presently pursuing science in XI. The cutoff percentage marks, considering the boards are as listed below	SSC State board CBSE ICSE	90.2% CGPA-A1 95%

"INSPIRE Camp duration 14th November to 18th November 2019"

Free accommodation, food and travel expenses will be provided to the selected candidates during the camp

Application should reach us by 9th November 2019. All Ist & IInd PUC Science Students with 90.2% marks in SSLC will be admitted for the camp.
