Regulations Governing Credit Based Semester Scheme for Bachelor Degree Programmes in the Faculties of Arts, Science and Commerce (Framed under Section 44 (1) (c) of the KSU Act 2000)

The Salient Features of the Credit Based Semester Scheme :

Each course shall carry certain number of credits. Credits normally represent the weightage of a course and are a function of teaching, learning and evaluation strategies, such as number of contact hours, the course content, teaching methodology, learning expectations, maximum marks etc. In the proposed programmes, in general, 2 hours of instructions per week in a semester is assigned one credit. In terms of evaluation, one credit is equivalent to 50 marks in a semester. On these basis, a three year degree programme will have a maximum of 100 credits. The other features of the Credit Based Semester Scheme are

- The degree programmes are structured on semester basis.
- The relative importance of subjects of study and activities are quantified in terms of credits and also their overall relative importance.
- The subjects of study include foundation courses, general studies and interdisciplinary subjects.
- The programme permits horizontal mobility in course selections.
- The students are required to take part in co-curricular and extra curricular activities and their participation is compulsory as a part of the credit based system.
- The curricula and question papers are unitized.
- The declaration of result is based on the aggregate percentage of marks obtained as well as on Grade Point Average earned.
