Designed programmes for Slow Learners

UNIVERSITY COLLEGE MANGALURU

Department of Chemistry

Special Programmes for advanced learners

- During lectures, class assessments, assignments, and practical classes teachers can assess the student's abilities and identify advanced learners. For them additional reference journals were provided.
- Such students are encouraged to participate in inter college competitions.
- Advanced readings in relevant topics are recommended to help them better understand the subject and pursue research in the future.
- By taking part in activities discussions and presentations, they are encouraged to assist and support the weaker students.
- Advanced students are encouraged to enrol in SWAYAM classes to improve their knowledge and skills.
- Regarding SWAYAM and other online classes link has been provided in the college website. Students use this link regularly.

Department of Chemistry	
Students to encourage advanced learners following steps are taken -	
- Encouraged to participate in various competitions	
- Provided them the link to various assignments	
- Guided to attend competitive examinations.	
The following students were taken the advantage of the program	
I. B. Sc.	I. B. Sc.
1. Pragna B	1. Anshu K
2. Anshu K	2. Anshu K
3. Anshu K	3. Anshu K
4. Anshu K	4. Anshu K
5. Anshu K	5. Anshu K
6. Anshu K	6. Anshu K
7. Anshu K	7. Anshu K
8. Anshu K	8. Anshu K
9. Anshu K	9. Anshu K
10. Anshu K	10. Anshu K

UNIVERSITY COLLEGE MANGALURU

Department of Chemistry Intercollegiate competition

Chemfest-2018 University level intercollegiate competition for UG students conducted by Department of Chemistry in collaboration with Association of Chemistry Teachers of Mangalore University. Dr. M.N. Venugopal, Dean, Fisheries College Mangaluru has inaugurated the function and Dr. Udaya Kumar M.A. Principle, University College Mangaluru presided the function. Total 64 students from 16 colleges participated in the events – seminar, science quiz and lab event (practical based event called lab event).

Invitation

Mangalore University
UNIVERSITY COLLEGE MANGALURU
(Re-accredited with 'A' Grade by NCAE)
DEPARTMENT OF CHEMISTRY
In association with
Association of Chemistry Teachers of Mangalore University
Organizes
CHEMFEST-2018
Great Enthusiasm and Energy
ONE-DAY inter-collegiate competition for UG students of chemistry
On 10th February 2018
Venue: Shivarama Karanth Hall.
Inaugural Function
Inauguration: Dr. Venugopal M.N.
Dean
Fisheries College Mangaluru.
President: Dr. Udaya Kumar M.A.
Principal
University College Mangaluru
Time: 9:45 AM - 10:30 AM
All Are Cordially Invited
Dr. K.M. Usha HOD Chemistry Dr. Udaya Kumar M.A. Principal
Staff and students of Department of Chemistry
University College Mangaluru
(CHEMFEST competitions from 10:30 AM to 3:00 PM)

Outcome: Encourages team work Students need to form teams while participating in quizzes, giving them an opportunity to hone their teamwork skills and to provide an interactive platform.

Dr. Udaya Kumar M.A.

UNIVERSITY COLLEGE MANGALURU

Department of Chemistry

Special Programmes for slow learners

- Remedial classes are held with the goal of providing specialised instruction in areas where students require assistance.
- Old question papers are discussed. In the class, bilingual explanations and discussions are done with the goal of bringing slow learners up to speed with the rest of the class.
- Personal, academic and career counselling is provided on a regular basis. Home assignments are given regularly and are corrected.

<p>6 Academic year 2016-17</p> <p>To help the student (slow learners) to improve their learning understanding skills following activities are conducted by the faculty members.</p> <ul style="list-style-type: none"> → Remedial classes are conducted → Special attention is given to students → Old question papers are discussed → Home assignments are given. <p style="text-align: right;"><i>[Signature]</i> DEPARTMENT HEAD OF CHEMISTRY UNIVERSITY COLLEGE MANGALURU</p>	<p>Attendance Year 2016-17</p> <table border="1" style="width: 100%; border-collapse: collapse;"> <tr> <th>Sl. Slow learners

Remedial classes conducted to slow learners after the class hours and individual attention has given to each student to enable them to complete the zoology paper.

List of slow learners (2019-20)

Sl. No	Name of the student	Class	Remarks
1.	Ashwini	I BSc.	Reappeared for the semester examination and passed in the zoology paper
2.	Smitha	I BSc.	
3.	Pranam N Shetty	I BSc.	
4.	Dhanyashree P N	I BSc.	
5.	Hemanth	I BSc.	
6.	Mohammad Rasheed	I BSc.	
7.	Nishanth carnelio	I BSc.	
8.	Deekshan	I BSc.	
9.	Bindhu	I BSc.	Not appeared for the re-exam
10.	Viresha	III BSc.	Improvement in the subject and marks
11.	Mahsoosa	III BSc.	
12.	Divya	III BSc.	
13.	Archana P P	III BSc.	
14.	Nithesh	III BSc.	
15.	Sathya Narayan	III BSc.	
16.	Varshith	III BSc.	
17.	Mayur	III BSc.	

Note:

- Since 100% result with more than 50% distinction during the academic year 2016-17, 2017-18, 2018-19, the remedial classes were not conducted.
- Due to the Covid pandemic and online classes remedial classes were not engaged.

Slow Learners and advanced learners:

The department has undertaken special initiative to identify the varied learning levels of the students. Both advanced and slow learners are identified through class room participation/ class test/ internal assessment examinations/ semester examination.

Special Programmes for Slow Learners:

- Special care is given with the purpose of identifying the slow learners and by giving special coaching in areas where they need support.
- Teaching faculties in the department are student friendly and motivate the students to come up with their innovative ideas and opinions. This kind of atmosphere will encourage students to clear their subject related doubts and seek help.
- Slow learners are provided with additional reading material and books in simple form is made available to increase their understanding of the subject.
- E-links are also suggested to the students to help them gain an in-depth knowledge of the subject. Bilingual explanations and discussions are done in the class with the aim of reaching out to the slow learners so that they can be brought at par with the rest of the class.
- Personal, academic and career-related counselling is given from time to time. Home assignments and projects are given and evaluated on a regular basis.

Special Programmes for advanced learners:

- During class lectures, class tests, assignments and interaction outside the class, the teachers are able to assess and identify the advanced learners.
- Provided additional reference journals and text books for the extra reading.
- Such students are encouraged to participate in inter college competitions.
- They are encouraged to help and provide support to the weaker students through small groups of study and group discussions and presentations.

Advance Learners Progression Report

Note

REPORT

2016-17.

First Semester -

29 slow learners from different st appeared for Remedial classes. The topics required to be discussed was given to the students, at the end of coaching were found confident to face the exam.

Second Semester.

69 students felt the need for Remedial Coaching. In fact many of them were slow learners. They were divided in two batches of slow learners and ones aspiring for better performance exams. Apart from coaching, group discussions were introduced. The of the students was found satisfactory.

Third Semester.
34 students enrolled for coaching. The students needed extra coaching

University College, Mangalore

Note

2017-18

REPORT

First and Second Semester:

60 students were given remedial coaching. This year we decided to take list of slow learners and give them special coaching throughout the year. Students too found it useful. Teachers assigned to teach class group of 10.

Third and Fourth Semester:

58 students were given special during the year. The focus was on helping them in exam related, & oriented coaching as well as provide them training to be independent.

Dr. Vasudev
PRINCIPAL

University College, Mangalore

Note

2018-19

Report.

First and Second Semester.

The Training the students on a regular basis was found useful and more beneficial than semesterwise. In the present year 35 students were taken for the coaching classes. With the previous experience we realised that the focus for the students is communication. Many exercise sheets were prepared and were distributed among students. The result was very effective.

Third and Fourth Semester.

As the students were in the second year of their language the focus of coaching was on listening, speaking and writing skill. Essay, Dialogue, Dictation was given comparable. The speaking aspect was taken care

Note

2019-20

Report

First and Second Semester.

This was a busy year as the college was in a celebratory of sesquicentennial step of the institute. The Department was focused in letting the students down in academic coaching was given to students who missed out their c for various reasons. 45 students the beneficiaries of the classes.

Third and Fourth Semester.

The spree of the previous semesters continued. We began to coaching the students to develop writing and speaking skills. Though we were not able to give a neat conclusion due to lockdown. 43 students the beneficiaries of the classes.

Aravind
PRINCIPAL

University College, Mangalore

Note

2020-21

The year of the pandemic, kept us in a difficult state to identify the weak slow learners and the students who required training in communication skills. However, Remedial Coaching given online through Google meet on specified dates and timings. The students found it useful, but we were not satisfied with our experience. The students were introduced to learn "BBC Learning" site. Various audio CDs were supplemented. 88 students were a part of Remedial Coaching.

ADVANCE AND SLOW LEARNERS

THE FOLLOWING ARE THE ADVANCE AND SLOW LEARNERS

- SLOW LEARNERS ARE IDENTIFIED BASED ON THE INTERNAL AND SEMESTER EXAM MARKS
- ALSO IDENTIFIED THROUGH CLASS OBSERVATION
- TO UPLIFT THE SLOW LEARNERS, REMEDIAL CLASSES ARE CONDUCTED

Special programmes for slow learners

- Remedial classes are organized to give special coaching in areas where they need support
- Additional reading materials and books were issued to increase their subject knowledge
- Personal, academic and career related counseling is given from time to time.
- Slow learners are made to sit along with the advance learners to concentrate on studies.

Special programmes for advanced learners

- Providing additional material to the students
- These students are encouraged to participate in inter collegiate competitions
- Special tests are given to increase their knowledge
- Students are encouraged to join SWAYAM classes.

ADVANCE AND SLOW LEARNERS

The following are the advance and slow learners

- Slow learners are identified based on the internal and semester exam marks
- Also identified through class observation
- To uplift the slow learners, remedial classes are conducted

Special programmes for slow learners

- Remedial classes are organized to give special coaching in areas where they need support
- Additional reading materials and books were issued to increase their subject knowledge
- Personal, academic and career related counseling is given from time to time.
- Slow learners are made to sit along with the advance learners to concentrate on studies.

Special programmes for advanced learners

- Providing additional material to the students
- These students are encouraged to participate in inter collegiate competitions quiz, and debate
- Special tests are given to increase their knowledge
- Students are encouraged to join online lectures.
- Students are encouraged to take up competitive exams class.

OUTCOME

- After Providing Remedial Classes For The Slow Learners, There Has Been A Massive Change In Their Performance.
- The measures taken by the department for advance learners resulted fruitful as students passed many higher exams and joined to higher equation.

2016-17

DEPARTMENT OF JOURNALISM

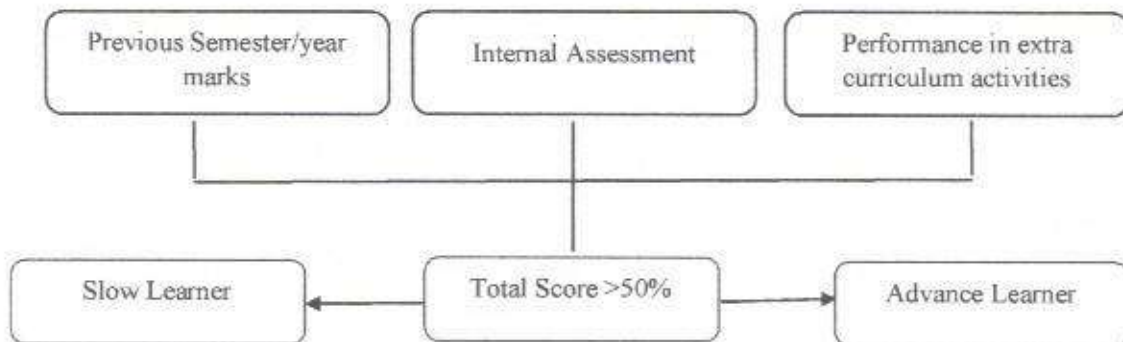

Slow learner and Advance learner

Each type of students has different learning attitudes and learning habits. A faculty must adapt a teaching methodology such that he/she may not lose the attention of the slow learners and turn off the advanced learners.

The purpose of assessment of the learning levels of the students and conduction of activities for them is

- Identification of the slow learners and advanced learners in the class
- To ensure that slow learners and advanced learners are taken care as per their needs
- To help them out for improvement in their academics. The remainder of this manual describes the constituent parts of the slow learner and advanced learner identification process, activates for them including guidance on process and Protocols followed to measure achievements.

Identification Methods of slow learners and advanced learners:

Slow Learner

A Slow learner is a child of below average intelligence whose thinking skills and scholastic performance have developed significantly more slowly than the pace of his or her age. **"Slow Learners are the Learners whose learning pace is Slower than their peers".**

The Assessment is measured based on internal assessment, university results and performance in extra and co-curricular activities.

In the academic year of **2019-20** there are **13** slow learners were there. As a faculty of Journalism, we identify them through above method. Through the department we conducted below activities for slow learners.

Activities for slow learners:

- Special Coaching classes was organized for slow learners.
- Provided the handwritten both Kannada and English notes for easy understanding the concepts.
- Provided the audio recordings and PPT slides for better understanding the concept.
- Given counseling for slow learners.
- Given additional learning materials like question bank, university question papers etc.

This resulted in a shift in the learning of above students. They did well in the next semesters. The experiment allowed each student to pay close attention to changing lecture and classroom teaching methods. This allows students to become interested in what they have chosen.

Advanced Learners

'Advanced learning' describes the learning of students who learn at a rate that exceeds that of their peers in one or more content areas. The learning of these children also falls outside the need-spectrum of the majority of their peers.

In the academic year of 2019-20 there are 18 Advanced learners were there. As a faculty of Journalism, we identify them through above method. Through the department we conducted below activities for Advanced learners.

Activities for Advanced learners

- Advanced assignments or tasks are assigned to advanced learners.
- Given the encouragement to participate in Seminars/Conferences/Technical Events host by Media houses.
- Given the exposure to write the article to different Print Media.
- Given the chance for internships in different Media Houses in around the Mangalore city.

Student's articles published in different newspaper

Students in the Department of Journalism are very active. Most of those students are advanced students. We have given them ample opportunity to contribute to various newspapers and Web portals. As a result, many articles are published in local and state newspapers. In addition, many students had also gone on internships to gain practical experience in the Media House.

Slow Learners - 2016-17

Details of Slow Learners

The following students have been identified as the slow learners based on the marks obtained in the end term examination.

I Semester

Max. Marks: 150

Sl. No.	Register No.	Name of the Student	Marks Obtained
1.	165450801	Harshitha	49
2.	165451012	Divya N Amin	55
3.	165450912	Sonika	46
4.	165451002	Aravind R	74
5.	165451003	Neeraj Pradeep	51
6.	165451005	Anil Kedrai Itapi	52
7.	165451010	Deekshitha	68
8.	165451029	Vithesh Kumar	71
9.	165451022	Ranjitha	51
10.	165451014	Kavya K.M.	68

III Semester

Max. Marks: 150

Sl. No.	Register No.	Name of the Student	Marks Obtained
1.	154960304	Kavya K	77
2.	154960905	Akshatha	74
3.	154960906	Akshatha	85
4.	154960918	Rashmitha	85
5.	154960920	Sharanya K	85
6.	154960908	Dhaniksha	68
7.	154961001	Akila B.K.	95
8.	154960927	Savitha S	105
9.	154961209	Shravya	73
10.	154961210	Shruthi K	68

Special Programmes for Slow Learners:

- Tutorials and remedial classes are organized, the purpose of which is to give special coaching in areas where they need support.
- Additional reading material and books in simple form is made available to increase their understanding of the subject.
- E-links are also suggested to the students to help them gain an in-depth knowledge of the subject. Bilingual explanations and discussions are done in the class with the aim of reaching out to the slow learners so that they can be brought at par with the rest of the class.
- Personal, academic and career-related counselling is given from time to time. Home assignments are given and evaluated on a regular basis.

8.	165451029	Vithesh Kumar	173
9.	165451022	Ranjitha	179
10.	165451014	Kavya K.M.	171

Special Programmes for Slow Learners:

- Tutorials and remedial classes are organized, the purpose of which is to give special coaching in areas where they need support.
- Additional reading material and books in simple form is made available to increase their understanding of the subject.
- E-links are also suggested to the students to help them gain an in-depth knowledge of the subject. Bilingual explanations and discussions are done in the class with the aim of reaching out to the slow learners so that they can be brought at par with the rest of the class.
- Personal, academic and career-related counselling is given from time to time. Home assignments are given and evaluated on a regular basis.

DEPARTMENT OF BOTANY

IDENTIFICATION OF FAST LEARNERS AND SLOW LEARNERS.

Based on the performance in the bridge course and response to the curricular activities in the class students were identified as fast learners and slow learners.

Special programmes to the fast learners:

- They are selected as group leaders in the departmental activity groups such as notice board activity, seminars, quiz, plant collection and identification etc.
- Extra reference materials are given as per the requirement
- Encouraged to participate in collegiate, intercollegiate level competitions
- Internet facility of the department is made available during their preparation for the seminars and assignments.
- Encouraged to participate in National, state level seminars/ workshops.

Special programmes to the slow learners:

- Regular remedial classes and tutorials are conducted once in a week during their free hours or on Saturdays after the class.
- Counselling is done for their difficulty in understanding the subject.
- Notes and study materials are given
- Regular checking of note book and records are taken up by the concerned teachers.
- Their performance in the class tests and examinations are reviewed.
- Encouraged to participate actively in the group discussions.
- Seminar topics are assigned and proper guidance is given.

Analysis of the results of fast learners revealed that the percentage of marks in the V and Vi semester examinations were comparatively higher than the other students in the class. Students in spite of their academic achievements participated in the intercollegiate and college level competitions. They presented the seminars using PPTs. Their project work and class records were excellent

Analysis of the results of slow learners revealed that most of the students who scored second/ third class in the earlier semesters scored first class/ distinction in the later semesters. They were confident in presenting the class seminars. They became punctual in submitting the assignments and class records.

DEPARTMENT OF PG STUDIES IN ECONOMICS

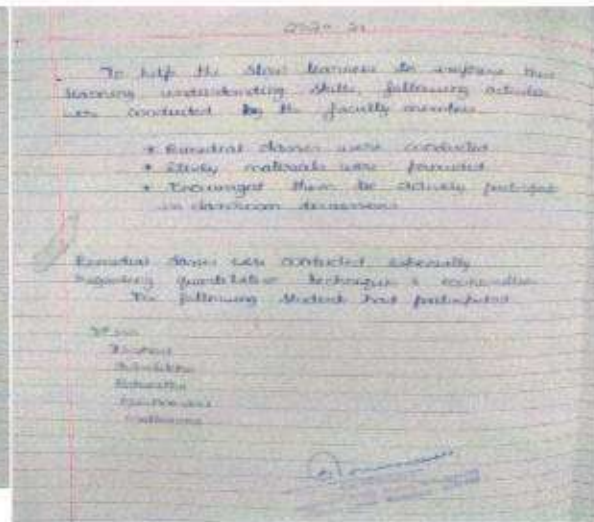

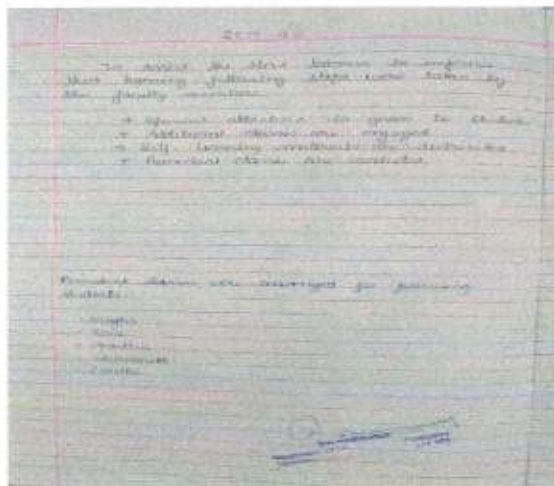

Special Programmes for slow learners and advanced learners:

Response:

The department has undertaken special initiative to identify the varied learning levels of the students. Both advanced and slow learners are identified through their performance in Bridge course/ class test/ internal assessment examinations/ semester examination.

Special Programmes for slow learners:

- Tutorials and remedial classes are organized, the purpose of which is to give special coaching in areas where they need support.
- Additional reading material and books in simple form is made available to increase their understanding of the subject.
- E-links are also suggested to the students to help them gain an in-depth knowledge of the subject. Bilingual explanations and discussions are done in the class with the aim of reaching out to the slow learners so that they can be brought at par with the rest of the class.
- Personal, academic and career-related counselling is given from time to time. Home assignments are given and evaluated on a regular basis. Peer learning is encouraged through group discussions and presentations.

OUTCOME: The department

University College, Mangalore

Special Programmes for advanced learners:

- During lectures, tutorials, class tests, assignments and interaction outside the class, the teachers are able to assess the calibre of the students and identify the advanced learners.
- Provided additional reference journals.
- Such students are encouraged to participate in inter college competitions.
- They are suggested advanced readings in the relevant topics to enhance their understanding of the subject to enable them to pursue research in future.
- They are encouraged to help and provide support to the weaker students by engaging in group discussions and presentations.
- Students who are advanced learners are encouraged to join S.W.A.V.I classes to upgrade their knowledge and skills.

Motivational talk on 'Being Students of Science'

Motivation is important not only in and of itself, but also as a predictor of learning and performance. Students who are more driven to study stay in class longer, put in more effort, learn more deeply, and do better on standardized examinations. Motivation helps in goal-setting and encourages the development of learning abilities.

Department organized a webinar on 06-08-2020, **Keynote address and inspirational talk** on the topic '**Being students of Science**' by **Dr. S.M. Shivaprasad**, Director, Karnataka State Higher Education Academy, Dharwad and Professor, (JNCASR), Bengaluru. The speaker threw light on the importance of studying science and inspired the young students to do some innovations in basic science using technology. The session went on to be more informative as he continued to talk about the need to transform the classrooms to a more technology-based education.

English language lab

BASIC LEVEL WORDSWORTH LANGUAGE LAB ENGLISH COURSE

REPORT:

The Department of English conducted the Certificate Course in Proficiency English in the academic year 2019-20 using the newly introduced Wordsworth English language lab. The phase one course for students aimed at developing language skills. Two batches of twenty students each took up the course. One batch was for slow learners and the other for quick learners. The course began in September 2020 and was of a period of six weeks. The Course involved both theory and practical classes. At the end of the Course the test was conducted for evaluating the students and the successful students were awarded the certificate.

5. FEEDBACK BY THE STUDENTS

NAME - Supreetha Shetty
CLASS - II BA
SECTION - B

FEEDBACK - LANGUAGE LAB

The course helped me to improve my English level. I was able to attend regular classes. English helped me to communicate with others in the most impactful manner. I was lucky to be helped with an attempt of speaking in front of the class of course. I got the help of my teacher and I was able to follow his/her instructions. I was able to use the computer equipment. The computer was helpful because of technical problems. Now I started to feel confident and fluent. Thank you so much for providing me this course.

FEEDBACK - LANGUAGE LAB

The English course helped me to improve my English level. My teacher kept always encouraging me to attend the class. I found the first week a bit difficult in my language lab. Since I started learning about the English class, I was reading, writing and listening. This helped me to improve my English. I have tried maximum to follow the instructions given by the teacher. Sometimes I was not able to follow the instructions. During the class hours, I was able to use all the equipment which was required for us. We were comfortable while using computers. We were given few questions regarding software. I would be better if the course was conducted using software so that we would be able to complete it in 187 years of education course in 1st year. Thankyou for giving us such a big opportunity.

Report of the Webinar conducted on 06.08.2020

An exclusive webinar session for the UG and PG staff and students was organized by the Department of Chemistry, University College, Mangaluru on 'Supramolecular Polymers'.

Date: 06-08-2020

Time: 10.30am to 12.30 noon

Dr. K. M. Usha, Head of the Department welcomed the Speakers, guests and the participants.

Honourable Vice Chancellor Prof. P. SubrahmanyaYadapadithaya inaugurated the session.

Dr. Udaya Kumar M. A., Principal, University College, Mangaluru greeted the participants.

Dr. Laxmana .K. introduced the speakers of the webinar to the participants.

Keynote address and inspirational talk on the topic '**Being students of Science**' was given by **Dr. S.M. Shivaprasad**, Director, Karnataka State Higher Education Academy, Dharwad and Professor, Jawaharlal Nehru Centre for Advanced Scientific Research (JNCASR), Bengaluru. The speaker threw light on the importance of studying science and he inspired the young students to do some innovations in basic science using technology. The session went on to be more informative as he continued to talk about the need to transform the classrooms to a more technology based education.

Prof. Subi Jacob George, Professor, Jawaharlal Nehru Centre for Advanced Scientific Research (JNCASR), Bangaluru gave an overview of '**Dynamic Supranolecular Polymers**' and shared his research experinece.

The webinar was conducted using Google Meet platform and You-Tube live streaming. The link was circulated among the students and faculties of all the colleges. More than 200 participants were participated. Further to the Q & A session after the presentation feedback from the participants were collected at the end of the webinar through chat box.

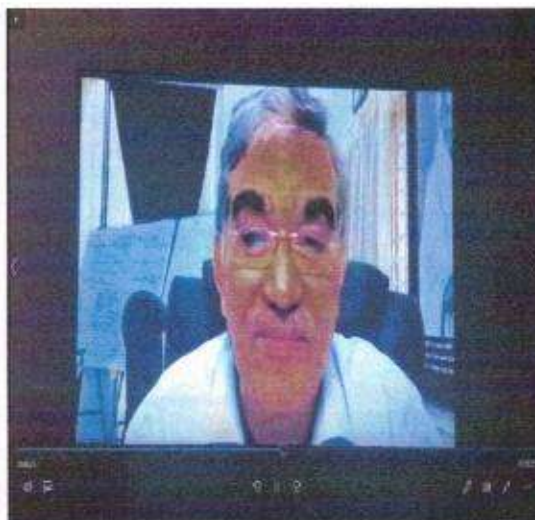

Dr. Sanjay Annarao proposed the vote of thanks.

Work shop on Plastination Technology

A one-day workshop cum demonstration on plastination of animal tissues and organs was held at University College Mangalore. Plastination is an ecofriendly technology as it involves the use of waste thermocol (package material) and avoids the use of formalin as preservative, which is harmful to human beings due to its carcinogenic effect. The workshop was inaugurated by Principal Dr. Uday kumar M.A., Dr. V. Ramakrishna, retired Professor of veterinary anatomy, Veterinary College, Hebbal, Bengaluru was the resource person, He introduced the participants of the workshop his indigenous, innovative technique of plastination. His presentation on the technique of Plastination was followed by the demonstration of plastination process and preservation of plastinated specimens without chemical preservatives.

Dr. S. M. Shivaprakash, Professor, College of Fisheries introduced the resource person to the audience. Dr. K. Laxman, Coordinator, PG Department of Chemistry proposed the vote of thanks.

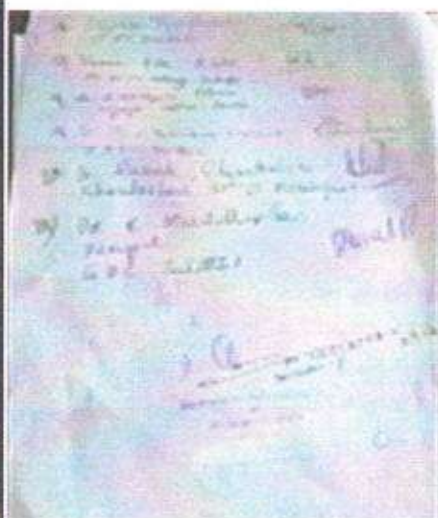

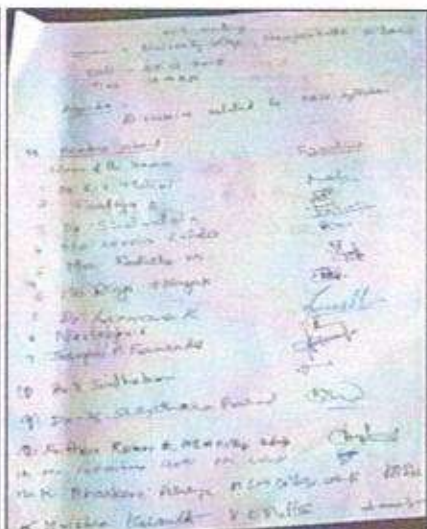

Varieties of fish samples were plastinated in the workshop. Dr. K.M. Usha, Head of the Department of Chemistry and Dr. Nagarathna K.A., Head of the Department of Zoology coordinated the event. Students and staff were the beneficiaries of the workshop.

DEPARTMENT OF PG STUDIES IN ECONOMICS WORKSHOP ON RESEARCH METHODOLOGY

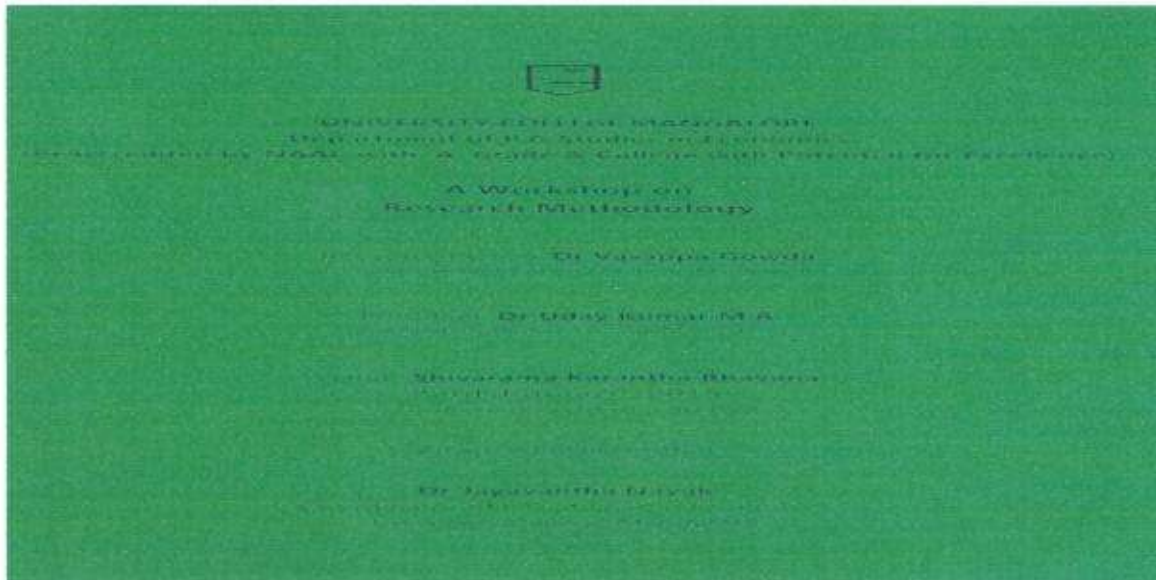

1. A workshop on Research methodology was conducted by the Department of P G Studies in Economics on 23rd January 2018.

Date: 23-01-2018

Time: 10 am to 3.30 pm

Dr. Vasappa Gowda, Librarian Besant evening College was the resource person. He detailed the students about the stages involved in social science research. Further he guided the participants regarding review of literature and various techniques of sampling. He also highlighted the importance of ethics and objectivity in the field of research.

Dr. Uday Kumar M.A, Principal, University College Mangalore presided over the programme. Dr. Jayavantha Nayak, coordinator Department of PG Studies in Economics welcomed the gathering. Dr.Vijayalakshmi, Faculty member Department of PG Studies in Economics proposed vote of thanks. Ms. Jincy Mathew was the Maser of Ceremony of the function. 20 students had actively participated in the workshop.

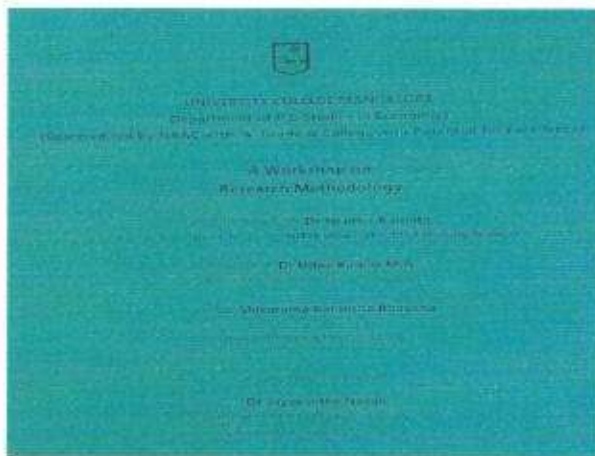

2. A workshop on Research methodology was conducted by the Department of P G Studies in Economics on 23rd January 2018.

Date: 08-02-2019

Time: 10 am to 3.30 pm

Dr. Neetha Kamath, HoD, Community Health Nursing, NITTE Usha Institute Nursing Sciences was the resource person for the workshop. She detailed the students about the levels involved in social science research. Further she guided the participants regarding review of literature and various techniques of sampling. She also highlighted the importance of ethics and objectivity in the field of research.

Dr. Uday Kumar M.A, Principal, University College Mangalore presided over the programme. Dr. Jayavantha Nayak, coordinator Department of PG Studies in Economics welcomed the gathering. Ms. Shama I N M, Faculty member Department of PG Studies in Economics proposed vote of thanks. Dr. Ramakrishna B.M, Associate Professor. Dept. of P G Studies also present in the workshop. Dr.Vijayalakshmi Faculty member Department of PG Studies in Economics was the Master of Ceremony of the workshop. 25 students had actively participated in the workshop.

3. A workshop on Research methodology was conducted by the Department of P G Studies in Economics on 24th and 26th December 2019.

Date: 24th and 26th December 2019.

Time: 10 am to 3.30 pm

Dr. Vijayalakshmi N.S, Assistant Professor, Dept. of Economics, N.M.College Sullia was the resource person for the workshop. She highlighted the students about the various stages of social science research. Further she guided the participants about the importance of review of literature and various techniques of sampling. She also encouraged students to use quantitative techniques in their project work.

Dr. Uday Kumar M.A, Principal, University College Mangalore presided over the programme. Dr. Jayavantha Nayak, coordinator Department of PG Studies in Economics welcomed the gathering. Mr. Adarsh H.B, Faculty member Department of PG Studies in Economics proposed vote of thanks. MS. Shama I N M, Faculty member Department of PG Studies in Economics was the Master of Ceremony of the workshop. 25 students had actively participated in the workshop.

4. A workshop on Research methodology was conducted by the Department of P G Studies in Economics in association with Department of PG Studies in History and Archacology on 18th January 2021.

Date: 18-01-2021

Time: 10 am to 3.30 pm

Prof. Shripathi Kalluraya P, Former Chairman Department of PG Studies and Research in Economics, Mangalore University was the resource person. He detailed the students about the stages

involved in social science research. Further he guided the participants regarding review of literature and various techniques of sampling. He also highlighted the importance of ethics and objectivity in the field of research.

Dr. Harish A, Principal, University College Mangalore presided over the programme. Dr. Jayavantha Nayak, coordinator Department of PG Studies in Economics welcomed the gathering. Mr. Adarsh H.B. Faculty member Department of PG Studies in Economics proposed vote of thanks. Mrs Shama I N M was the Maser of Ceremony in the function. 60 students had actively participated in the workshop.

Dr. Shripathi Kalluraya addressing the gathering and Dr. Jayavanth Nayak addressing the gathering.

Outcome:

- Research Methodology workshops help students to choose appropriate methods of research and to decide the objectives.
- To review the literature effectively.
- To collect data in an organised manner.
- To understand the appropriate techniques of sampling
- To interpret and analyse the data
- To develop skills in qualitative and quantitative data analysis and presentation.
- To encourage students to take up and actively involved in research projects.

National level workshop on identification techniques of macro fungi and lichens was conducted to create an awareness regarding the biodiversity of wild fungi and lichens. Two days' workshop helped the students to get the practical experience on organizing and managing the events.

REPORT

WORKSHOP ON IDENTIFICATION TECHNIQUES OF MACROFUNGI AND LICHENS

The workshop was organized at the Department of Botany, University College, Mangalore, during 6 and 7 th December 2019. The aim of the workshop was to spread awareness regarding fungi, and to motivate the younger generation to pursue mycology for their career. A total of 112 persons including teachers, students and research scholars from different parts of India participated in the workshop.

Eminent regional mycologists served as resource persons, delivered interesting talks and conducted demonstrations. The list of resource persons includes - Prof. (Rtd.) D. Jayarama Bhat, Department of Botany, Goa University, Taleigao; Prof. (Rtd.) K.R. Sridhar, Mangalore University, Mangalagangothri; Dr. P. Manimohanam, Calicut University.

Resources persons and dignitaries of the workshop during valedictory function.

INTERNATIONAL LICHENOLOGICAL NEWSLETTER 53 (1) 7

Dr. Sanjeeva Nayaka, CSIR National Botanical Institute, Lucknow; Dr. Vinalayaka, K.S, Buntwal College, Buntwala; Dr. Syed Abrar, Sahyadri College, Shimogga; Mr. Shivkumar, Kalladka. The following talks were presented -

Fungi and many opportunities (by JB); Identification of gilled Mushrooms (PM); Diversity of macrofungi in the forests and plantations of South West India (KRS); Importance and diversity of lichens in India (SN); and Identification of lichens (VKS). Demonstrations were conducted for identification of macrofungi (SA), cultivation of edible mushrooms (S) and identification of lichens (SN, VKS). The inaugural and valedictory portions of the function event included several dignitaries such as Prof. Shripathy Kalluraya, Dr. Prasanna Rai, Dr. Udayakumar, M.A. and Prof. K.R.

Chandrashekhar. The workshop was organized by Dr. Shobha, Head, Department of Botany, University College, Mangalore, with support from her colleagues and students, especially Dr. Siddarju M.N. Mrs. Pradeeksha and Mrs. Devamma

Dr. Pundikai Ganappayya Bhat began his talk with the brief introduction about the history of Tulunadu historiography. He stated that the first people to construct the history of this place were the local writers during the beginning of the 20th century. The professional historians entered into this scene rather slowly, around the 1930s, maybe with the breakthrough done by the work of B. A. Saletore. The major theme of this webinar lecture was to throw light on the works and efforts of local historians before the entry of the professional historians in this field. He refers to the life and works of Polali Sheenappa Hegde, Ganapathi Rao Aigal and finally Manjeshwar Govinda Pai. Honorable Vice chancellor of Mangalore University, Professor Subramanya Yedapadithaya gave his well wishes to this programme. Dr. Anasuya Rai (Principal, UCM) was the president of this programme. Dr. Ganapathi Gowda (Associate Professor & Co-Ordinator of the Department of PG Studies in History and Archaeology) proposed the welcome speech for this seminar and Dr. Meenakshi M (Associate Professor) conveyed the vote of Thanks.

DR. Shivatarak K. B. began his lecture with a brief introduction about pre-historic period and its divisions such as Palaeolithic period, Mesolithic period and Neolithic period. He further associates these pre-historic ages to the history of Tulunadu. He also discussed about various stages throughout Karnataka, amounting to 4787 sites. He gave a detailed description of the total number of pre-historical settlements found in different taluks of Udupi district. He also analysed the total number of pre-historic settlements in Dakshina Kannada district and spoke about the various implements, cultural finds, and other archaeological artefacts finds in these places. He has also given information about pre-historic caves and petroglyphs in this region. He further gives information about the beginning of the historical period. He also spoke about primitive picture art, and its sites around Tulunadu. Dr. Anasuya Rai (Principal, UCM) presided over this programme. Dr. Ganapathi Gowda (Associate Professor & Co-Ordinator of the Department of PG Studies in History and Archaeology) gave the opening remarks. Dr. Kumaraswami (Associate Professor) proposed the welcome speech for this seminar and Mr. Ranjith K. S. (Lecturer) conveyed the vote of Thanks.

Series 3: Tuluva History: Contributions of B. A. Saletore

Date: 14/08/2021

URL: <https://meet.google.com/caj-grpw-rff>

Guest Speaker: **Dr. B. Jagadeesh Shetty** (Administrative Officer, Rashtrakavi Govinda Pai Samshodhana Kendra (MAHE), MGM College Campus, Uduppi)

Dr. B. Jagadeesh Shetty has given a brief explanation on the life, works and contributions of B.A Saletore to the history of Tulunadu. He states that Saletore wrote his works after going through various inscriptions. B. A. Saletore published his book *World Tribals in Indian History* in 1935. He mentions about Tulunadu history along with social, political, economic and religious background in this work. B. A. Saletore has mentioned the koragas of Tulunadu and stated that “they were the very first community of Tulunadu.” He provided a very detailed information about the rulers of Tulunadu. The speaker concludes by stating that Saletore has given a great contribution towards the history of Tulunadu. Dr. Anasuya Rai (Principal, UCM) has given presidential address for this programme. Dr. Kumaraswamy (Associate Professor) gave the opening remarks. Dr. Ganapathi Gowda (Associate Professor & Co-Ordinator of the Department of PG Studies in History and Archaeology) gave the opening remarks. **Dr. Raghav B** (Principal, FMKMC, Madikkeri) proposed the welcome speech for this seminar and Mr. Rathan Salian (Lecturer) conveyed the vote of Thanks.

Series 6: Political history of the Alupas: A review

Date: 25/09/2021

URL: <https://meet.google.com/caj-grpw-rff>

Speaker: **Shri. T. Murugeshi** (HOD, Department of Ancient History and Archaeology, MSRS College, Shirva)

Shri. T. Murugeshi began the session with a brief description of various scholars who have contributed in the reconstruction of the history of Tulunadu. He then moves to the topic, i.e., The Political History of the Alupas. He begins with the various sources in which information of this dynasty is available. According to the speaker Halmidi inscriptions, was among the first to have mentioned about the Alupas, it mentions it as '*alapa-gana*'. The inscription also mentions about the various lords of this *gana* or republic, their genealogy, the wars and political conditions, etc. The speaker states that there is some sort of cliché in their history. There haven't been proper familial links established among the lords. He also gives a list of names of the Alupa kings and brief description of their rule. He states that, there is some scarcity of sources backing this dynasty and making it difficult to reconstruct a solid history for them. He explains how the present-day matriarchal society in and around Dakshina Kannada and Kasaragod can be kept as a basis of study of history of Tulunadu, as this practice is something

Dr. Peter Wilson Prabhakar, the guest speaker for this programme said that the Basel mission was founded in 1815 at Basil town in Switzerland by Rev. Broomard, Rev. Vonbroom and eight others. It came to the west coast of India in 1834. The headquarters of the Basal mission was established at Balamatta. The Basal mission started the first Anglo- Vernacular school, nursery schools, infant schools, primary, middle schools, night schools and also teacher training schools. It's started its first printing press and publication house at Mangalore in 1841. It also brought out the first Kannada newspaper 'Mangaluru Samachar' in 1843. The most prominent contribution to Kannada language and literature was rendered by Rev. Kittel of the Basal Mission Dr. Anasuya Rai (Principal, UCM) presided over this programme. Dr. Ganapathi Gowda (Associate Professor & Co-Ordinator of the Department) proposed the welcome speech for this seminar and Nikhil (PG Student) conveyed the vote of Thanks.

Dr. Ganapathi Gowda
Coordinator, Staff and Students
P.G. Studies in History and Archaeology

Dr. Raghupati Kemtur, the guest speaker for this programme said that without the study of place names, history will be incomplete. He said that philology is very important for the study of history and place names are more authentic than inscriptions in the study of history. He mentioned about various origins of place names in Tulunadu such as *p#v-parap* means water paving in level land and *kai-mogara* means water touching the land etc. Dr. Anasuya Rai

of PG Studies in History and Archaeology) proposed the welcome speech for this seminar and Ms. Megha (PG student) conveyed the vote of Thanks.

Webinar 12: Tulunadu: State Formation under the Alupas

Date: 25/12/2021

URL: <https://meet.google.com/vtk-xxjp-gvd>

Speaker: Dr. Ramdas Prabhu

The image consists of two parts. On the left is a red and white poster for a webinar. The poster is titled 'MANGALORE UNIVERSITY UNIVERSITY COLLEGE MANGALORE' and is for the 'Dept of PG Studies in History and Archaeology'. It is in association with 'MANUSHA (Mangalore University History Teachers Association)'. The poster is for a 'Webinar Lecture Series on Tulunadu and Kodagu History' and is 'SERIES- 12'. The main topic is 'Tulunadu - State Formation under Alupas' with the Kannada title 'ತುಳುನಾಡು - ಅಳುಪರ ಕಾಲಾವಧಿಯಲ್ಲಿ ರಾಜ್ಯ ವ್ಯವಸ್ಥೆ'. The guest speaker is 'Dr. Ramdas Prabhu', Coordinator of PG Studies in History and Archaeology, UCM. The president is 'Dr. Anasuya Rai', Principal, University College, Mangalore. The date is '25.12.2021' and the time is '6:00 pm, Google meet'. The organizers are 'Dr. Ganapathi Gowda, Coordinator, Staff and Students, PG Studies in History and Archaeology' and the 'President, Secretary and Members of MANUSHA'. On the right is a screenshot of a Google Meet interface. The main video feed shows Dr. Ramdas Prabhu speaking. To the right is a grid of smaller video feeds for other participants. At the bottom of the interface, the meeting ID '138 191 vtk-xxjp-gvd' is visible.

The guest speaker of this programme said that many scholars have opinion that there was no state in South Canara before 7th century CE. He said that state formed in the Tulunadu area in the 7th and later centuries. He said that during pre-historic period people were living in Tulunadu. According to him we get proofs of state formation in the inscriptions of the *Alupas*. *Alupas* in their inscriptions stress that they were the sons of the soil. *Alupas* did not use any feudatory titles. *Alupas* were independent rulers who had marriage relations with Chalukayas. The capital of the *alupas* was Barkur, where they ruled for almost three hundred years. Dr. Anasuya Rai (Principal, UCM) has given presidential address for this programme. Dr. Ganapathi Gowda (Associate Professor & Co-Ordinator of the Department of PG Studies in History and Archaeology) proposed the welcome speech for this seminar and Ms. Manjunath Madar (PG student) conveyed the vote of Thanks.

Special lectures with interactive session

Special lectures help students improve their learning in a more interactive, topic specific way. These can be very helpful not only for the students, but can also contribute to the teacher's knowledge and practices. Guest lectures can be used to make classes more approachable and appealing to students.

Interactive sessions provide an immersive and engaging learning experience to students. It helps learners retain information and apply them at appropriate situations, and also prepares them for future roles and responsibilities by developing their interpersonal and problem-solving skills. An interactive session makes the lecture more fun and enjoyable.

Department has organised several special lectures on different topics like Polymer technology, Kitchen Chemistry etc. in which students get the opportunity to interact with the experts.

DEPARTMENT OF JOURNALISM

Documentaries and Short Films:

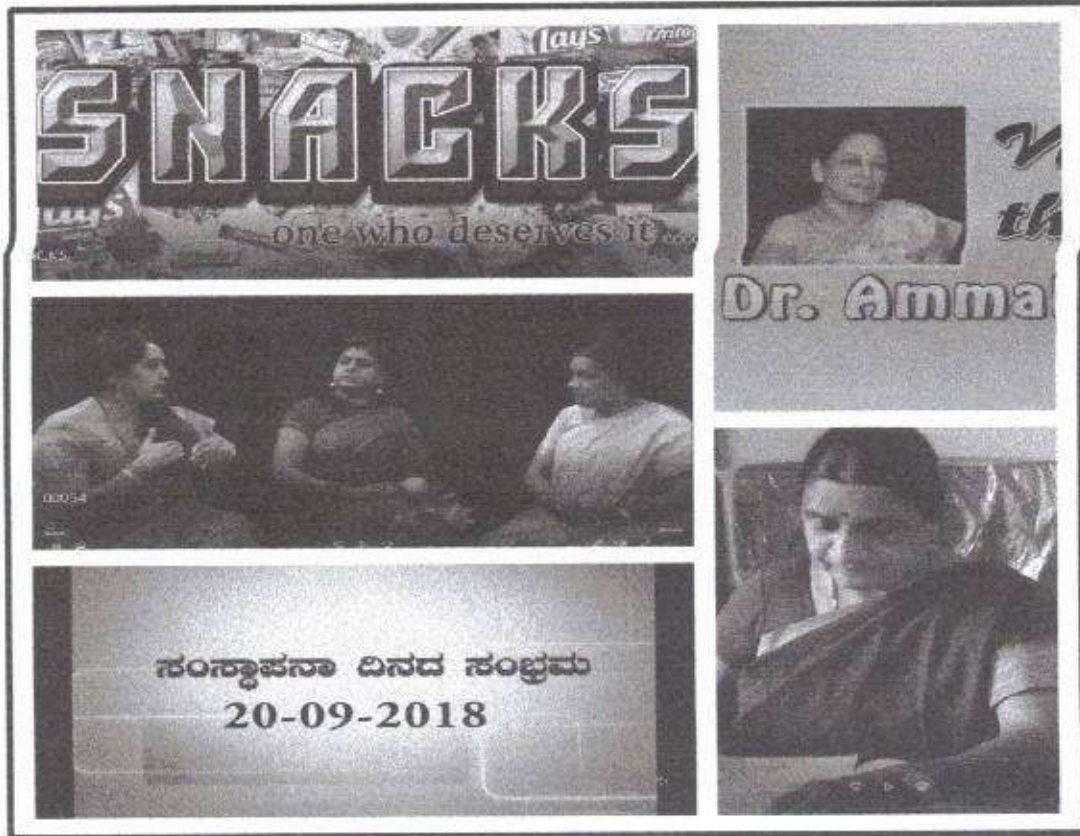

Objectives

Documentaries can document the event, person or place to the generations to come, as well as they can explore the creativity of students. Students get script writing, camera handling, acting and video editing opportunities which help them to show their talent as well as they can get ready for the media profession with some additional skills in the kit.

Outcome

Students gain practical knowledge of producing a documentary or short film. Those who are interested in video content production get an excellent opportunity to prove their talent, which motivates them to work more in the field. Many students continued working for documentary and short movie production even after completing their graduation.

Project	Year	Link

DEPARTMENT OF JOURNALISM

1. Unique Practice:

Mangala Siri and wall magazines:

Objectives

Mangala Siri is a student journal by the journalism students of University College Mangaluru. The objective of this journal is to document the events of the college, as well as train students in writing, editing, page-designing and production process. Responsibilities of the production of the journal are handled by the students. Handwritten wall magazines too increase the writing habit among students.

Outcome

Mangala Siri improved professionalism among journalism students. Both the selection of the quality content and page designing helped students to learn the steps of production of a journal. Students now are ready to take up the responsibilities and both the student journals and wall magazines increased the healthy competition among students.

Interactive session-

Soft Skill Development on Stress Management by Dance Therapy by Mrs. SachithaNandagopal in February 2019

Stress management by dance therapy Workshop was conducted for the students of University College on . Stress Management can help your mind and body adapt (resilience). The workshop was organised by Dept. of Microbiology, Ms SachithaNandagopal was the resource person for the programme. Mrs P.Vinatta, Mrs. ArunaKumary, Dr .Nagarathna .K.A., Dr.Suresh, Dr. Meenakshi. M.M., Dr.Rathnavathi M.M. and Srujana - the Staff of various departments were part of this Programme and students of Microbiology benefitted from the programme.

Interaction session

One day workshop was conducted on “Microbial enzymes and their Applications” by ‘Dr. Avila D’Souza, from Euechem Biological, Research, Analytical laboratory & training Centre, Manipal at Microbiology department on 28th August 2018.

Dr. Avila D’Souza, EuechemBiologicals, Research, Analytical laboratory & training Centre, Manipal was the resource person for the workshop conducted in the department of Microbiology on 28/8/2018. She gave an informative talk on “Microbial enzymes and their Applications”. She highlighted on enzymes isolated from microbes and the *GENERAL PROCEDURE FOR THE EXTRACTION OF ENZYMES FROM MICROBES* and application of enzymes like lipase, protease and amylase etc. She also dealt about ENZYMES USED IN FOOD INDUSTRIES, PRODUCTION OF ENZYMES BY RECOMBINANT DNA TECHNOLOGY. She demonstrated the conversion of Starch to Dextrin by using immobilized cells of amylase on Agarose. She also encouraged students to involve themselves in research and also added on global market for enzyme production requirement.

Interaction session

Monsoon Health Awareness” and “Student’s stress” program was held at Geography Lab on 13th July 2017. Dr. K.V. Ullas Namboodiri, working as branch manager and senior physician at Vaidhyarathnam P.S. Variers, Aryavaidhyasala, Mangalore Branch. He was accompanied by Prajwal P. Shetty, Marketing Executive and Devan. T.K.

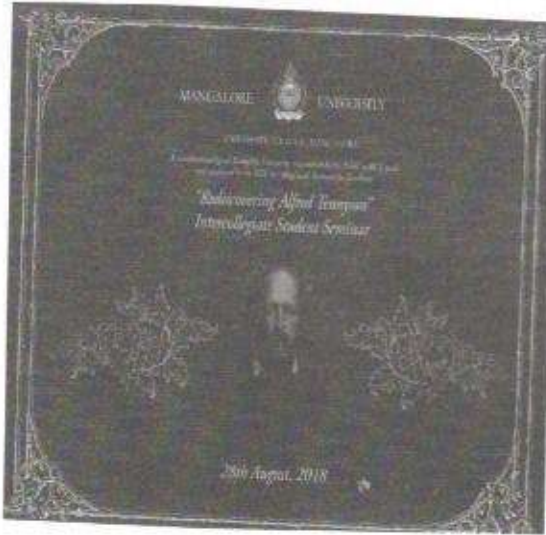

Dr. Ullas Namboodiri first introduced about the Kottakal Arya Vaidya Sala and spoke about role of Diet, Meditation, Yoga and Monsoon diseases. He also told about various Ayurvedic homemade medicines to respiratory diseases, medicines to be taken for cold, fever, headache, worm, herbal mosquito repellents, oral rehydration therapy. Loose motion etc. He also told to avoid too spicy food, curd, cold items, chocolates etc during Monsoon season. He also spoke about stress, causes like physical and emotional stress.

INTERCOLLEGIATE STUDENT SEMINAR ON "REDISCOVERING ALFRED TENNYSON"

REPORT ON TENNYSON SEMINAR

One day Intercollegiate Seminar on Rediscovering Alfred Tennyson was organised by the Department of English University College Mangalore. The students from 16 colleges participated in the event. Total number of participants was 72. The programme had two segments. One reading Tennyson and three sessions. 1. A special lecture on Tennyson by Prof. Pattabhirama Somayaji 2. Reading Tennyson 3. Visualizing Tennyson. The second session was paper presentation on poetry of Tennyson. The third session was to visually present any of Tennyson's works. The Best paper and Best Visual presentation was awarded with certificate and cash prize. The students of our college had hosted an exhibition on Victorian Periods beautifully through models, charts etc which won the heart of many. The objective of the programme was to bring the peer group of students together to enhance our students' learning. The programme was dedicated to Dr. Ammalukutty who was to superannuate in August 2018.

INAGURATION TENNYSON SEMINAR

UNIVERSITY COLLEGE MANGALURU

Department of Chemistry

Extension Activity

Summer Camp-2019

The summer camp on “**Igniting Interest in Basic Science**” has concluded its work successfully this time in the Department of Chemistry, University College, Mangaluru. It was also co-organized by other science Departments of University College, Mangaluru with the full support of the Principal **Dr. Udaya Kumar**.

Starting first month of year, a summer camp was organized for children from ten schools in the zone. As a part of the summer camp basic concepts of chemistry were highlighted on 10 Jan, 2019 and 11 Jan, 2019.

Schools involved:

Students attended the summer camp from the following schools:-

- 1) G.H.S. B.Ed Campus
- 2) G.H.S. Attavara
- 3) G.H.S. Car street
- 4) G.H.S. Bokkapatna
- 5) G.H.S. Mallikatta
- 6) G.H.S. Balmatta
- 7) G.H.S. Chitrapure
- 8) G.H.S. Baikampady
- 9) G.H.S. Bunder
- 10) G.H.S. Hoigebatar

Dr. Udaya Kumar

PRINCIPAL
University College, Mangaloré

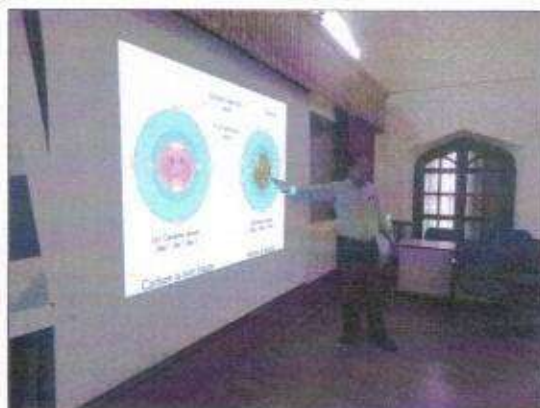

Objectives:

- To give them an opportunity to learn the basic concepts and applications of chemistry in day to day life.
- To engage the children in lab activities, which were prescribed in their textbooks, along with other fascinating chemistry activities.
- To educate and create awareness among them about why one should choose chemistry in their higher studies.

Details of the selected activities:

Presentation and talks

In keeping with the theme of the event, the first keynote talk was given by **Dr. Usha K.M** on “**Learn something new every day-Chemistry**” and later it was followed by **Dr. Sanjay Annarao** on “**Key elements of Chemical Bonding**”

Lab events

In the afternoon session, children were allowed for learning basic concepts of chemistry through practical. It included phenomenon of light by scattering known as Tyndall effect, purification of organic compounds through sublimation, recrystallization and distillation, reactivity of some metals with water, identification of metal ions by flame test, Shapes of solid crystals, action of carbon dioxide with lime water, exhibition of pure metals, non-metals and coloured salts. Children had fun with chemistry by observing experiments like elephant toothpaste, chemical fountain and crackers zone.

Guest of Honour

On 11 Jan, 2019 children had interaction with Prof. Chittaranjan Hegde from NITK Surathkal. It was followed by, staff enrichment programme entitled on “Young minds to be the Future Chemists”. From their journey, they boosted and advised youngsters to get into the research field by sharing their experience.
