The College is committed to assessing the effectiveness of the Learning Mentor Policy and procedures and making necessary adjustments in response to the needs of those involved. For these students who could not think of any adult, they believed, cared about their success. This college has a set of teachers who act as community volunteers on standby as academic counsellors. They try to enhance the existing knowledge and skills from their seventeen's.

This Policy is encouraged by the following principles:

- Learners must be assisted to achieve their potential at College, in an environment where their general well-being is gratified.
- To assist and develop BASICS (Behaviour, Attitude, Skills, Integrity, Competencies and Service) vital for a healthy and positive life.

- Sharing Information of the mentee- In case the mentor leaves. the information about the mentee is shared with the new mentor.

Responsibilities of a Mentor:

- Each student is allocated a faculty mentor.
- A mentor will provide support to 40-50 mentees.
- The mentors should try to apprehend their mentees and help them resolve issues related to their surroundings.
- The mentors should identify students with academics, behavioural and emotional issues, and should send them for counselling to the Counselling Cell.
- The mentors should motivate students to participate in extracurricular activities, to promote healthy behaviours (maintain discipline, as howling and whistling in the college premises is prohibited).
- The mentors are expected to maintain a professional relationship with the students (no personal relationships should be encouraged).
- The mentor acts as a coach and guide for the trainee.
- The mentor plays a critical role in the trainee' Internship and placements by preparing them in professional aptitudes.
- Mentors should maintain confidentiality with regard to the student's report.
- The student's report should be regularly assessed by HODs, principal, and Parents.

Responsibilities of a Mentee:

- It is mandatory for the students to fill their mentoring work books during the mentoring sessions.
- Mentees should not initiate any discussions related to infrastructure and facilities as it is not a medium for complaints.
- Mentee should maintain a healthy relationship with the mentors.
