15. Multidisciplinary / interdisciplinary

The spirit of the NEP to make our students global citizens with native ethnic inscape is well received by the institution. The Multidisciplinary and interdisciplinary curriculum encompassed in the NEP is a blessing in disguise for an Institution like ours, as we have subjects offered through 26 different Departments. A series of discussions among the faculty members were initiated on the key principles of NEP in general and on diversity in curriculum and pedagogy with technological innovations in teaching and learning in particular. The faculty came to a conclusion on offering the maximum possible combinations of subjects in Discipline Specific Courses and 22 Open Elective Courses. This enables the opportunity to a student to get into maximum possible multidisciplinary and interdisciplinary studies

16. Academic bank of credits (ABC):

The Institution being a constituent college of Mangalore University is in a privileged status when new schemes are introduced. When NEP was to be introduced, the University provided training programmes on the new scheme and its credit system and two of our faculty took part in the training programme and subsequently trained the rest of the staff in the college. The office staff too were trained regarding the same. The centralized depository of credits is done through UUCMS portal and the students' credits are stored in the depository.

17. Skill development:

The NEP curriculum designed by the University accommodates Skill Enhancement courses such as digital fluency, yoga, Database Management System, cyber crimes, sheet modeling, Environmental Studies and Sports etc to promote skills pertaining to a particular field of study. Since the Institution is already well equipped to some of the skill enhancement courses like Yoga, Data Base Management System, Environmental Studies and Sports, the focus was on developing other courses to give the best to our students. The discussions were held among the faculty and proposals were forwarded to the University to do the needful.

18. Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)

In NEP envisaged curriculum there is a wide scope for promotion of local languages in addition to Hindi and Sanskrit. Indian Ethos and cultural values are widely found in the curriculum. The language Departments were prepared to use online mode of learning that encouraged translation in Indian languages.

19.Focus on Outcome based education (OBE):Focus on Outcome based education (OBE):

All the programmes offered by the Institution are Outcome-Based Education (OBE), which is designed keeping in mind the regional and global requirements. The college has implemented outcome based education designed by the Mangalore University with clearly stated Programme Outcomes, Programme Specific Outcomes and Course outcomes. All courses are designed with outcome centered on cognitive abilities namely Remembering, Understanding, Applying, Analyzing, Evaluating and Creating.

20.Distance education/online education:

Due to Covid -19 pandemic, educational institutions in the country has increasingly involved in using the digital platforms for engaging classes, conducting conferences and meetings. Opening up of the economy including that of educational institutions has paved the way of adopting hybrid mode of education called as 'PHYGITAL' combing online and offline resources. This can be considered as the new normal, which is envisaged in New Education Policy. Faculty is encouraged to offer MOOC courses which promotes the blended learning system.

2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

The college has a very transparent and robust evaluation process in terms of frequency and variety. The system is so evolved that it prepares students to face semester-end as well as competitive examinations. Following are the measures to execute the mechanism.

- Internal assessment exams/assignments are conducted/given twice a semester.
- Auxiliary assessments like unit tests, theory and practical assignments, case analysis, topic presentation, field work etc. are conducted/given.
- Projects and field work evaluations are done based on the written reports and presentation/viva voce.
- Analysis of the attendance to determine students' involvement in classroom activities.
- Achievements in co-curricular activities like NCC, NSS, YRC, Sports and Fine arts are considered for performance evaluation.
- Performance analysis is used for remedial courses of actions which enables mentors to take corrective actions at right time.
- Academic and personal counselling of slow learners is done by an Expert counsellor of the college.
- Weak academic performance and frequent absence are brought to the notice of parents regularly.
- Semester end theory and practical exams and evaluation of the same are conducted by the university.

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time- bound and efficient

An internal assessment committee headed by a senior staff and members from all the streams is given the responsibility of conducting examinations at the college level. Following are the measures to deal with the grievances.

Evaluation related grievances

- Answer scripts of Internal Assessment exams, after verification by HOD are distributed to the students during the class hours. Students are encouraged to discuss answers

and any issues related to exams with the respective teachers. This ensures transparency and reliability of the entire internal evaluation process.

- If there is any discrepancy in the marks or evaluation, corrections are made by the faculty instantaneously.
- The final marks obtained by the students are displayed on the department notice boards.

Examination related Grievances

- In case of misconduct, the matter is referred directly to the examination committee for initiating a further course of action.

Absentees related Grievances

- A notice is circulated for those who could not attend the scheduled examinations to contact the exam coordinator and then to the concerned teachers.
- Teachers verify the validity of reasons for absence and conduct re-examinations with freshly prepared question papers in a week's time.

6.3.5 - Institutions Performance Appraisal System for teaching and non- teaching staff

To improve the academic and administrative standards of the College, the following performance appraisal measure is executed.

- Teachers have to submit the duly filled proforma of the

performance-based appraisal at the end of the academic year provided by the University.

- Teachers record their teaching related work in their work diary and the Principal monitors their activities at the end of every month.
- Details of tests, assignments, mentoring, leave taken etc., are recorded.
- The Principal submits a confidential report about the teaching and non-teaching staff to the University on an annual basis.
- University authorities make a detailed evaluation of those reports and give necessary suggestions for improvement and corrective measures.
- A questionnaire is given to the students to assess the teachers on criteria such as punctuality, regularity, accessibility, class-room management, preparation for the class, ability to inspire and motivate, subject knowledge etc.
- The Principal analyses the reports and suggests constructive measures.
- The performance appraisal of the non-teaching staff is also done.
- Each employee has an annual performance appraisal report on the basis of which the Principal gives constructive feedback
- The non-teaching staff are asked to maintain a record of the day-to-day work in their work diary.
- Administrative audit is conducted by an external agency.
- The principal of the college counsels those teaching staff whose performance requires improvement.

6.4 - Financial Management and Resource Mobilization

6.4.1 - Institution conducts internal and external financial audits regularly Enumerate the various internal and external financial audits carried out during the year with the mechanism for settling audit objections within a maximum of 200 words

A systematic auditing procedure is followed so that error is reduced to zero levels.

Below are some of the steps followed in auditing process

- Finance Transactions are dealt with by a Clerk (FDC) in the accounts section, verified by the superintendent in the College office, before the Principal verifies and signs such documents.
- Funds under annual budget are sanctioned only after the submission of proposal to the University
- The College follows any one of the following standard procedures to utilize the sanctioned amount:

a) On receipt of the sanction letter, the College requests for a grant and in case the advance is availed, final bills are settled immediately after the event/program for which amount is taken as advance. The authority concerned makes the final payment through cheque to the parties concerned after checking the authority and authenticity of the documents and vouchers.

b) The grants provided by Government agencies like UGC, RUSA and DST are used only after getting the approval in a Committee, consisting of University representatives, duly constituted for the purpose. The accounts are audited by a qualified auditor.

c) Funds or Grants received under Corporate Social Responsibility (CSR) and from Philanthropists are spent for which the amount is sanctioned.

- A committee entrusted for reviewing the progress ensures the strict adherence of all rules.
- Auditors from the State Audit Department examine the books of accounts maintained in the College regularly.
