EXHIBITION(6, 7, 8 February 2020)

Department of Botany

1. Model of hydroponics using waste plastic bottles. This exhibition created an awareness about the conservation of water and soilless culturing of plants.

2. Mr. Dev Rao an agriculturist from Killur village of DakshinaKannada has preserved more than 100 varieties of paddy seeds. His paddy seeds were exhibited to create an awareness about the rich biodiversity among paddy cultivars.

Department of Chemistry

Department of Chemistry organized Science Exhibition for students and public from 6th February 2020 to 9th February 2020. About 50 Undergraduate and Postgraduate students of our Department were actively involved in organizing the exhibition and presented various still and working science (Chemistry related) models. Thousands of children from various schools, colleges and public witnessed the exhibition.

Teachers provide a brief list of contents for the chosen children to investigate, create a subject, and prepare the show prior to the presentation. As the instructor develops a better understanding of the student's knowledge and the students gain a better understanding of their teacher's quality and interest, the teacher-student connection strengthens. Students are in a pleasant spirit while preparing for the exhibition because they are excited about the prospect of participating and showing their friends something new and unique. During this stage, their inner core grows while they engage in some creative activity. Every student feels delighted and eager throughout the exhibition. Participants were eager to demonstrate their content at the exhibition, while non-participants were eager to learn about various issues and gain some knowledge on various subjects.

Impact of Global Warming explained in different stages

Pictures showing our enthusiastic students participation

Outcome:

- The exhibition motivated both bright and weak pupils to learn concepts in a hands-on manner.
- The display enhances a student's imagination and allows him/her to think beyond his textbooks. This exhibition has created interest in Basic Science among youngsters.

Commerce Department

Students from Commerce Department, presented three different types of models, under the theme “Solid waste management”, “Consumer Forum” and “Smart City”, they also exhibited various items made out of waste under the theme “Best out of waste” along with the demonstration of pot-composting by final year student Kishan and his team.

1. Solid Waste Management:

Students apart from displaying waste recycling mechanisms, explained through the model the major components of solid waste management like primary collection, transportation, disposal, segregation and processing of waste. They also created an awareness on eco- friendly practices.

2. Smart City:

Smart city project of students focused on the development of waterfronts, roads and improvement of fisheries. In the model, students had included clock tower, college, apartments with helipad and some infrastructure like roads, metro, solar lights, water supply networks, modern car parking, modern fisheries techniques.

3 Consumer Forum:

Through the model consumer forum, students created awareness among the consumers about their rights under Consumer Protection Act, Quality Control Marks, and provided valuable information and procedure about filing the case in Consumer Forum for the complaints. In the model, they had depicted Consumer Forum and had displayed posters cautioning consumers against exploitation.

Students created innovative and useful items out of the waste materials rather than putting them into landfills. Exhibition gave an opportunity and platform to showcase student's creative skills and artistic excellence.

We had a positive, overwhelming response for our student's hard work and dedicated performance during the exhibition.

Department of Hindi (UG and PG)

On the occasion of the 150th year celebration of our college, the UG & PG Students of Department of Hindi participated in the exhibition. The students displayed a variety of things, useful for the students and the public who came to observe the exhibition. The subjects displayed were –

- 1) Hindi Alphabets in a creative aspect
- 2) Numbers in Hindi 1-100
- 3) Hindi speaking areas in India
- 4) Job opportunities in Dakshina Kannada Districts in Hindi
- 5) Modern Hindi Writers
- 6) Contemporary Hindi Literature an overview
- 7) Daily Use items like fruits, vegetables and household items in Hindi, English and Kannada

Nearly 30 students prepared various charts and models from UG and PG Hindi Dept.

Department of Journalism

The Department of Journalism and Media Club association organized various activities on the occasion of sesquicentennial of University College, Mangalore. Various newspapers published numerous special articles, features on the one of the oldest colleges of the state, also the pride of the city. Many guest columns were written by the alumni of the college, who are in respectable

positions now. Along with this, journalism department students of the college wrote special articles to various newspapers, magazines of the state about the uniqueness of the college. The exhibition highlighted all such write-ups.

The media students also prepared special theme-based wall magazines for the occasion, where they expressed their feelings about the grand old institution in different ways. A bunch of such colourful magazines shared lot of information about the institution and its proud alumni and obviously reflected the talent of the students.

Meanwhile, various competitions organised by the department on the occasion. Photography competition was one among that. College got good response not only from the students, but also from the public. The excellent, prize-winning photographs of the college were exhibited along with the photographers' information.

The journalism students effectively narrated the content which proved crucial in the success. All these attempts received good response from the viewers.

Department of Microbiology

In connection with 150th year Sesquicentennial Celebrations, Department of Microbiology have exhibited, procedure of water testing, Blood testing, models of sewage treatment plant, micro-organisms spoiling fruits and vegetables. Concepts regarding renewable resources like cow dung bagasse cakes and biodiesel from used cooking oil and products made by microbiology students using recycled waste like paper bins from recycled paper, scented dhupa from temple flowers, face pack jam and rose water charcoal soap, Rose soap and Aloe Vera soap. Our students prepared various models of Nipha virus, Influenza virus and Corona virus etc. Eco-friendly products were also exhibited at the exhibition.

The outcome: People visited came to know the importance of water testing and how *E.coli* gains entrance and how to identify it in water, Identification of blood groups, Using of foldscope microscope, importance of renewable energy and importance of recycling and Eco-friendly products. Micro-organisms for human welfare was highlighted in the exhibition.

Physics Department

The Physics department arranged an exhibition of Antique equipment's and different working models of physics in the eve of 150th year celebration of our college. The Staff members and the students of I B.Sc., II B.Sc. and III B.Sc. actively participated in conducting the exhibition. A book of important and rare Antique equipment's was prepared.

The models explaining Rocket motion, different planets, principles of Astrophysics and Nuclear physics were displayed. The students and general public were encouraged to visit the exhibition.

Exhibition of antique physics instruments

Outcome: Students enjoyed observing antique physics instruments and came to know about use and their discoverer.

Department of Tourism and Travel Management – Food Court

Department of Tourism and Travel Management students involved themselves in Food Court on the occasion of 150th year celebration of the college. Innovation in Science Pursuit for Inspired Research

Innovation in Science Pursuit for Inspired Research (INSPIRE) is an innovative programme sponsored by the Department of Science and Technology, Govt. of India. It is the programme intended to attract talents and promoting students to study basic sciences. The basic objective of INSPIRE is to convey to the youth of the country, the exciting creative pursuit of science and draw the talented ones to get interested in the study and research in 'Basic Science'.

A striking feature of INSPIRE is that it creates an environment where students get an opportunity to sharpen their understanding of basic concepts in science through lectures, experiments and listening to experiences shared by distinguished scientists. Every year around 50000 students comprising the top layer of class 'X' board examination performers and pursuant of science at higher secondary level get an exposure to leading scientists/academicians in the camp and enjoy the experience of innovation.

Our workshop started on 9th of January 2020. We started from besant national college , Mangalore .we were wholeheartedly welcomed by maths lecture Rajashekar sir , and he took us to 1st science class room and allotted us the students for our workshop. As he left us we introduced us to the class and we told them the purpose of being with them . Students were very excited to be the part or our activities.

We had planned to conduct quiz for the students . Vedhaashini was the quiz master , pallavi allotted the marks and chethan maintained the students .

First we conduct the prelims so we could get 4 team 2 of each . After the MCQ'S we got out 4 teams . Here we had 3 rounds 1st science round 2nd general and 3rd visual round . By the end of it was really good to see students enthusiastic performance and team B won and team c were runners . Preetham , Prajwal , vidyasagar and Sunitha received the prizes. At last we thanked everyone and distributed chocolate .

FEEDBACK FROM STUDENTS

- ❖ Students from University College came up with a workshop. They conducted quiz which was more knowledgeable, we came to know many unknown topics this was both entertaining and informative.

15. Blood donation Drive

Date : 24/11/2019

Venue: Wenlock Hospital

Collaboration: 1. 5 Kar Naval NCC unit Mangalore
2. Wenlock District Hospital

Number of participants:20

Blood donation camp was organized by NCC Naval Unit, University College Mangalore 5 Kar Naval NCC Unit Mangalore & Wenlock District Hospital on 24th January 2019, 20 cadets participated in the programme along with PI staffs and ANO where blood was donated by 14 cadets.

For blood donation, donors should not expect to be rewarded for the act of kindness, rather roll up the sleeves to donate blood. Blood donations helps to reduce cardiovascular risk factors. Donating blood is good and it's even better for all the people who desperately need the help. There are many benefits of giving blood such as it can reveal potential health problems, can reduce harmful iron stores, lowers the risk of suffering a heart attack also reduces risk of developing cancer

‘ಯುವಕರು ಮಾದಕ ವ್ಯಸನಕ್ಕೆ ಒಳಗಾಗುತ್ತಿರುವುದು ಆತಂಕಕಾರಿ ಸಂಗತಿ

ಮಹಾನಗರ, ಜೂ. 28: ದೇಶದ ಬೆನ್ನಲು ಬಾಗಿರುವ ಯುವಕರು ಮಾದಕ ವ್ಯಸನಕ್ಕೆ ಒಳಗಾಗುತ್ತಿರುವುದು ಆತಂಕಕಾರಿ ಸಂಗತಿ. ಮಾದಕವಸ್ತುಗಳು ಮನುಷ್ಯನನ್ನು ಮಾನಸಿಕವಾಗಿ ಮಾತ್ರವಲ್ಲ ದೈಹಿಕವಾಗಿಯೂ ಕುಗ್ಗಿಸುತ್ತವೆ ಎಂದು ಪಾಂಡೇಶ್ವರ ಪೊಲೀಸ್ ಠಾಣೆಯ ಇನ್‌ಸ್ಪೆಕ್ಟರ್ ಶ್ರೀರಾಜ್ ಅವರು ಅಭಿಪ್ರಾಯಪಟ್ಟರು.

ವಿಶ್ವವಿದ್ಯಾನಿಲಯ ಕಾಲೇಜಿನ, ಶಿವರಾಮ ಕಾರಂತ ಭವನದಲ್ಲಿ ನಡೆದ ಮಾದಕವಸ್ತುವಿರೋಧಿ ಕಾರ್ಯಕ್ರಮವನ್ನು ಉದ್ಘಾಟಿಸಿ ಅವರು ಮಾತನಾಡಿದರು.

ಒಮ್ಮೆ ಈ ಪ್ರಪಂಚ ಹೊಕ್ಕರೆ ಹೊರಬರುವುದು ತುಂಬಾ ಕಷ್ಟ ಇದರ ಬಗ್ಗೆ ಯುವಜನತೆಯಲ್ಲಿ ಜಾಗೃತಿ ಮೂಡಿಸುವುದು ಅತ್ಯಗತ್ಯ ಎಂದರು.

ಹೊಣೆಗಾರಿಕೆ ಅರಿಯಿರಿ
ಅಧ್ಯಕ್ಷತೆ ವಹಿಸಿದ್ದ ಪ್ರಾಂಶುಪಾಲ ಡಾ|| ಉದಯಕುಮಾರ್ ಎಂ.ಎ. ಇವರು ಮಾತನಾಡುತ್ತಿದ್ದಾಗ

ವಿಶ್ವವಿದ್ಯಾನಿಲಯ ಕಾಲೇಜಿನ ಶಿವರಾಮ ಕಾರಂತ ಭವನದಲ್ಲಿ ಮಾದಕ ವಸ್ತು ವಿರೋಧಿ ಕಾರ್ಯಕ್ರಮ ನಡೆಯಿತು. ನಾಡಿ, ರಾಷ್ಟ್ರದ ಭರವಸೆ ಮತ್ತು ಉತ್ಸಾಹದ ಪ್ರತೀಕವಾದ ವಿದ್ಯಾರ್ಥಿಗಳು ಇಂಶಹ ವ್ಯಸನಕ್ಕೊಳಗಾಗದೆ, ತಮ್ಮ ಸಾಮಾಜಿಕ ಹೊಣೆಗಾರಿಕೆಯನ್ನು ಅರಿತುಕೊಂಡು, ಎಲ್ಲರಲ್ಲೂ ಜನಜಾಗೃತಿ ಮೂಡಿಸಿ, ಜವಾಬ್ದಾರಿಯುತ ಸಮಾಜ ನಿರ್ಮಾಣಕ್ಕೆ ಕ್ರಮಿಸಬೇಕೆಂದು ವಿದ್ಯಾರ್ಥಿಗಳಿಗೆ ಕರೆ ನೀಡಿದರು.

ಪೊಲೀಸ್ ಠಾಣೆಯ ಸಬ್-ಇನ್‌ಸ್ಪೆಕ್ಟರ್ ಉಮೇಶ್‌ಕುಮಾರ್ ಎಂ. ಎಸ್. ಅವರು ವಿದ್ಯಾರ್ಥಿಗಳಿಗೆ ಮಾದಕವಸ್ತುವಿನ ದುಷ್ಪರಿಣಾಮಗಳ ಬಗ್ಗೆ ತಿಳಿ ಹೇಳಿದರು ಮಾತ್ರವಲ್ಲದೆ ಯುವ ಜನತೆ ಯಾವ ರೀತಿ ಸಾಮಾನ್ಯ ಜೀವನದಲ್ಲಿ ಈ ಬಗ್ಗೆ ಅರಿವು ಮೂಡಿಸಬಹುದು ಎಂಬುವುದರ ಬಗ್ಗೆ ತಿಳಿಸಿಕೊಟ್ಟರು.

ಸಬ್-ಇನ್‌ಸ್ಪೆಕ್ಟರ್ ಮಂಜುಳಾ ಅವರು ವಿದ್ಯಾರ್ಥಿಗಳಿಗೆ ಮಾಹಿತಿ ನೀಡಿದರಲ್ಲದೆ ರಾಜ್ಯಶಾಸ್ತ್ರ ವಿಭಾಗದ ಮುಖ್ಯಸ್ಥ ಡಾ|| ಲ. ಎ. ಪಂಡಿತ್, ಸಮಾಜಶಾಸ್ತ್ರ ವಿಭಾಗದ ಮುಖ್ಯಸ್ಥ ಮಹೇಂದ್ರಮಣಿ ರಾವ್ ಹಾಗೂ ಸಹ ಪ್ರಾಧ್ಯಾಪಕ ಡಾ|| ಗಾಯತ್ರಿ ಎನ್ ಅವರು ಉಪಸ್ಥಿತರಿದ್ದರು. ರಾಷ್ಟ್ರೀಯ ಸೇವಾ ಯೋಜನೆ ಅಧಿಕಾರಿಗಳಾದ ಡಾ|| ಭಾರತಿ ಸಿಲಾರ್ ಕಾರ್ಯಕ್ರಮ ನಿರೂಪಿಸಿದರು.

Organized by
University College, Mangaluru, Department of Microbiology
(Accredited with NAAC 'A' grade)

Innovation in Science Pursuit for Inspired Research

Innovation in Science Pursuit for Inspired Research (INSPIRE) is an innovative programme sponsored by the Department of Science and Technology for attraction of talent in Science. The basic objective of INSPIRE is to contribute to the growth of the country by selection of creative potential of students, about 18 years of age, of an average age, who will be the future talent for research and development in Science and Technology system such as China.

A striking feature of the INSPIRE programme is that it does not believe in conducting competitive exams for selection of talent at any time. It believes in the ability of the existing educational structure for identification of talent. Every year about 10,000 students of the 15 institutes in class 10 level participate and pending selection of higher secondary stage are being given an exposure with leading scientists/researchers in the winter camp to experience life of a scientist.

HEALTH AWARENESS AND HAND HYGIENE CAMPAIGN

This Hand Hygiene Campaign is run under the flagship of WHO and UNICEF's WASH programmes. B.Sc. Microbiology students of University College were actively involved in the Hand Hygiene Health Awareness Campaign by conducting programmes at Anganawadi, Primary schools and High school in and around Konaje, Moodbidri, Panemangalore, Bantwal, Kalladka, Ullal, Kannur, Mangalore, Kumbla. Under this programme more than 150 schools were covered benefitting around 5000 students. Some of the programmes were done for public including panipuri vendors.

By this programme many School children and people were educated expecting that it will greatly reduce the spread of infection thereby making them healthy. Good health is essential to make children regular in the school which helps them to complete schooling and thus education.

Our programme was appreciated in the schools and in public as self motivating "Clean Hands" campaign. Our students also learned the art of communicating with society in a effective way. This programme has also given them a confidence and a sharing responsibility towards the society making it as "Clean India is Healthy India".

2. IBPS Exam Coaching Programme

Career Guidance Cell, University College Mangalore in association with Corporation Bank Officers Organization (R.) organized valedictory function IBPS coaching program at Shivarama Karantha Hall, University College Mangalore. Mangalore Corporation Bank Officers' Organization, President Ekanath Baliga opined, "Bankers should lead a life of responsibility, integrity and sincerity. To overcome the domination of other states in banking field, we should prove ourselves. We should think of selfless service." Establishing a connection between the Banking Sector and Education is indeed a good initiative, said Prof. A.M. Khan, Registrar, Mangalore University. He also stated that in an era like the present, students can easily succumb to distractions. Use of social media should not be at the cost of one's career. He urged the students to imbibe good values and thereby build a better and good society.

Plastic products are causing a great deal of harm to the ocean; it doesn't biodegrade that quickly and chemicals from them often are leached into the water where they are digested by marine life. Thousands of marine animals die every

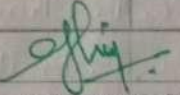

year because of plastic pollution and many seabirds, turtles and fish can become entangled in debris and we are all accountable for that.

Vanamahotsava-Plantation of tree was held on 16.08.2017 by National Service Scheme unit of University College Mangalore by planting saplings in and around the premises of UCM and distribution of the saplings to the public. To be part of this movement, NSS Unit took part in Vanamahotsava celebration. Although the college has lush green campus with more than 40 species of trees, with great enthusiasm NSS volunteers, students, teaching and non –teaching staff planted trees in college premises as a part of this celebration. Dr.Uday Kumar Principal and other staffs were

present in the plantation program. During this tree planting Mahotsav, it was decided that not only planting the tree is enough but NSS volunteers will also take care to nurture these planted trees thereafter. A total of 112 students participated. The event was coordinated by Dr. Bharathi Pilar and Dr.Sanjay Annarao, NSS Programme Officers.

Muthoot PVS Branch Director Sudhakar Rao, and staff Arpitha Shetty and Dr Harisha A spoke on this occasion. Muhtoot Finance Marketing Manager Ramachandra, NCC Officer Dr Yathish, Dr Jairaj, and Principal Dr Uday Kumar M A were also part of the program.

Innovation in Science Pursuit for Inspired Research

Innovation In Science Pursuit for Inspired Research (INSPIRE) an innovative programme sponsored by the Department of Science and Technology for attraction of talent to Science. The basic objectives of INSPIRE is to communicate to the youth of the country the excitement of creative pursuit of Science, attract talent to the Study of Science at an early age and thus build the required critical human resource pool for strengthening and expanding the Science and Technology system and R & D base.

A Striking feature of the INSPIRE programme is that it does not believe in conducting competitive exams for identification of talent at any level. It believes in and relies on the efficacy of the existing educational structure for identification of talent. Every year about 50,000 Students of top 1% performers in class Xth board examination and pursuing science at higher secondary level are being given an exposure with leading scientists/academicians in the winter camp to experience the joy of innovations.

Total slots available for internship: 200

Eligibility Criteria	Name of Board	Top 1% cut-off Marks

8. Road Show on Vittiya Abhiyana

Date: 07-01-2017

Venue: Hampankatta Streets, Mangalore

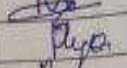

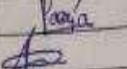

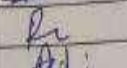

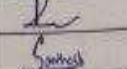

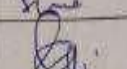

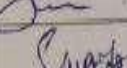

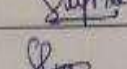

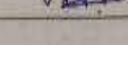

Collaborating Agency: Central Bank of India and Axis Bank.

No of Students attended: 60

Road Show of Vittiya Abhiyana was held on 07-01-2017 in Hampanakatta Streets. Around 60 NSS trained volunteers participated. The road show was inaugurated by Dr. Udaya Kumar, Principal of University College Mangalore and is organized by the NSS unit of University College in collaboration with Central Bank of India and Axis bank. Students were divided into 12 groups and they created awareness in public about the Cashless Digital Payment System as a part of Vittiya Saksharatha Abhiyana. The purpose of the 'Vittiya Abhiyan' is to actively engage the youth/ students of Higher Education Institutions to encourage and motivate all payers and payees to use a digitally enabled cashless economic system for transfer of funds. Various options of digital transactions are presented here. They need to further educate their family members and people in their immediate surroundings and motivate them for digital transactions. NSS volunteers of the institute took up a major market and interact with shop owners, including vendors, and their associations with an objective of developing a cashless market focusing on each point of sale.
